Attachment withheld under (b) (5) (DP).  
Responsive sentence: "The Hungry Horse Dam was the first damn built by the federal government after World War II."

Hi, Julie.

Attached is the latest Draft Communication Strategy for the proposed listing of CFAC. Rob has been working on updating the timeline and providing answers to some of the technical questions in the FAQ section. Highlighted text is information that I wanted to confirm with Rob.

Please let me know if you have any questions or would like more information.

Cynthia
